Ware Do It Again!

When leaving Ware early on Easter Monday morning heading for Germany, confidence was high. This was the largest team that we had taken over to Wülfrath for some years. As we approached Dover however, disaster struck, Stan Vanner was taken ill and reluctantly decided to withdraw from the group. We were both concerned for Stan and about the effect that his absence would have on the team but we needn't have worried, it simply made the swimmers even more determined to win the Gala for Stan!

Wednesday morning training was taken by Chris Buck and Pete Kelleway who were able to tell the forty swimmers gathered that Stan was feeling much better and a win in the Gala would be the ideal medicine to help him to a full recovery.

The 31st Annual Gala between Wülfrath and Ware Swimming Clubs proved to be a noisy but good hearted event which included an appearance from René Werner a regular swimmer for Wülfrath over the years, who has been wheelchair bound since a bad car accident six months ago. He received the biggest cheer of the evening for swimming 25 metres unaided. Ware finally took the honours by 6 points with a final score of 199 points to 193 points.

Congratulations to all the coaches and swimmers who took part. The results are on the back of this newsletter.

Calling All Swimmers & Parents

We are planning a club night on Thursday 12th May at Wodson Park, 7:00-10:00 pm.

Through the medium of video & photographic presentation, this is an opportunity not only for those who went on the Wulfrath exchange to relive the experience but, more importantly, a chance for the younger swimmers and their parents to get a taste of what is in store for participants and hosts.

I would encourage swimmers and parents of all ages to come along to this fun night. Entrance is by ticket only, £1 per person from Bernard Molloy or Richard Pearse on poolside.

Congratulations to Ben Heraud, our youngest Caption Competition entrant, who has won (his parents) a bottle of wine for this re-working of a well known caption. Well done Ben.

I'm Late, I'm Late for a Very Important Date.....

In recent weeks, some swimmers have been arriving late for their training sessions. This disrupts the lane warm-up and in some cases delays the training programme. Please parents, can you drop off your swimmers in good time to change and be on poolside for their designated start time.

Please also remember to.....

Collect your swimmers on time, after training as the Club and the Fanshawe staff have a concern over the number of unaccompanied youngsters waiting outside Fanshawe Pool. Please collect swimmers from the foyer. Better still, come five minutes early and have a look at all the latest news, posted on the notice board.
